Ptaschenko Liana Olexandrivna, doctor of economic sciences, professor. **Ptashchenko Artyom Olexandrovich**, student. **Key aspects of reform pension system in Ukraine.** Review the features of pension's provision in Ukraine and problems that exist in this case. Investigating the non-state retirement insurance system as a powerful source of investment resources in the Ukrainian economy and an important factor in the implementation of social policy, the author suggests the direction of a funded pension system, adapted to the economic relations that have developed in Ukraine.

Keywords: ension system, pension, non-state pension fund, the budget revenues, the demographic crisis.
