СТИЛЬ И ПЕРЕВОД

Сборник научных трудов

Выпуск 1 (4)

Основан в 2013 году

This collection comprises scientific research papers of famous scholars, professors of higher education institutions of the European countries and the USA, postgraduates, translators, and students that highlight current issues on the stylistics of the Romance, Germanic, Slavic and other languages, and cover essential problems of modern translation studies in the context of intercultural communication. This issue also presents the translations of scientific research papers of famous scholars, performed by junior translators.
