Vestnik zoologii

PUBLISHED BY
THE SCHMALHAUSEN INSTITUTE OF ZOOLOGY
NATIONAL ACADEMY OF SCIENCES OF UKRAINE

(Founded in 1967)

Vestnik zoologii (Zoological Herald) is a bi-monthly journal publishing original papers in all fields of zoology (except for strictly applied): fauna and systematics, ecology, ethology, descriptive and comparative morphology, physiology, behaviour, zoological aspects of nature conservancy; the journal also includes eventual items like Information and Chronicle, Book Reviews, Field Notes etc. Publication languages are: Ukrainian, Russian, English, German, French.

The papers in Ukrainian and Russian are provided with a summary/abstract in one of the European languages.

Extensive contributions may be published as supplement volumes.
